We demonstrate tolerance and respect through child-led play

Equipment and Resources Policy

1 Scope & Purpose

- 1.1 To provide resources and equipment in a workshop style environment
- 1.2 To enable all children to interact with resources independently and, with adult support where appropriate, in ways which allow them to achieve high levels of involvement in their play, which is when brain development happens and when progress in learning is made.

2 Outline

- 2.1 Croft Playgroup provide play equipment and resources which are safe and, where applicable, conform to the BSEN safety standards or Toys (Safety) Regulation; European Toy Regulation 2011.
- 2.2 We provide a workshop environment where children can have access to all resources at all times.
- 2.3 Resources are stored in open boxes and shelves for ease of access and so that children can independently choose and select them.
- 2.4 We ensure that there is sufficient quantity of equipment and resources for the number of children.
- 2.5 Croft playgroup provide resources which promote all areas of children's learning and Development and encourage independent thinking, playing and exploring.
- 2.6 Use of resources may be child or adult-led.
- 2.7 We understand that the adults play a vital role in supporting the children in their use of resources and in observing and interacting so that teachable moments can happen to enhance children's play and learning.
- 2.8 Croft playgroup select books, equipment and resources which promote positive images of people of all races, cultures and abilities, are non-discriminatory and avoid racial and gender stereotyping.
- 2.9 We recognise that children should have opportunities to take risks and be challenged in their play and so we ensure that equipment that we provide gives them opportunities to do this.
- 2.10 In the outside areas we ensure that there is equipment which presents opportunities for risk taking and climbing.
- 2.11 We ensure that all equipment is fully risk assessed and that the children are supported in their use.
- 2.12 We recognise that to develop core and muscle strength, children need opportunities to climb and pull and travel along (over, under, around, through) equipment. We provide equipment which enable children to climb and move in these ways.
- 2.13 We provide play equipment and resources which promote continuity and progression, provide sufficient challenge and meet the needs and interests of all children.

We demonstrate tolerance and respect through child-led play
